

## Dr. Larry Barton

Dr. Larry Barton, Professor Emeritus, has been awarded the International Biometals Society's 2014 Heritage Award.

The Heritage Award, established in 2010, recognizes individuals for their special contributions to the development of the biometals field. The award will be presented at the next Biometal Society meeting, which will be held at Duke University, Durham, NC, in July, 2014

[The International Biometals Society](#) (IBS) was formed in 2010. The aims of the Society are to promote research in the field of metal interactions in biology and to encourage the interdisciplinary exchange of information on this subject. The official journal of the Society is [BioMetals](#), published by Springer, London.
