

2014 UNM Department of Biology “Outstanding Colleague” Awards

The recipients of the annual “Outstanding Colleague” awards are **Meghan Balk**, **Alexandra (Lex) Snyder** and **Dr. Christopher Witt**.

The Biology Department invited its community to nominate candidates for consideration as outstanding colleagues in several categories. Based on their contributions to the research and teaching missions of the department, these are our 2014 Outstanding Colleagues. The awards include \$1,000 from the Biology Department for professional development.

GRADUATE STUDENT: **Meghan Balk**

STAFF: **Alexandra (Lex) Snyder**,
Collections Manager, Division of
Fishes, Museum of Southwestern
Biology

FACULTY: **Dr. Christopher Witt**, Associate
