

UNM BIOLOGY DEPARTMENT

BROWN BAG PRESENTATION REQUIREMENT

Effective Fall 2009, Ph.D. graduate students are required to present two times and Master students are required to present one time in the Brown Bag seminar during their tenure at UNM. All students must register for either 502.001 Ecology Seminar or 502.002 Molecular Biology Seminar during the semester they are presenting.

By signing this form, I have registered for the appropriate 502 class and presented the required number of times.
