ATTN Applicants: Admission to the Biology Graduate Program is conditional on having the sponsorship of a tenure-track faculty member. A list of the department's tenure-track faculty and their research interest is listed under faculty on the Biology website <http://biology.unm.edu>.

Selection Committee : It is preferable that applicant identifies one or more members of the faculty whose field of research matches their own and who they would like to have sponsored their admission.

List of Potential Sponsor Faculty Member(s):

Special Note: A list of faculty can be found at <http://biology.unm.edu/core-faculty.shtml>. Advisor must have Professor in their title and may not include Research as part of the title. We recommend that you contact each potential sponsor listed.

Are you interested in Biology providing Financial Support? Yes No

List your area(s) of interest: _____

(Two- to four-word description of your topic of interest (e.g., Plant Ecology, Conservation Biology, etc)

List of potential persons writing letters of recommendation:

PLEASE RETURN THIS FORM and BIOLOGY APPLICATION MATERIALS TO: Cheryl Martin, Graduate Program Coordinator
Department of Biology, University of New Mexico
